

*I am ice  
I am as cold  
as a  
Norwegian winter  
I travel  
my own way  
on a long journey  
through  
wilderness and  
Hardanger  
mountains  
until I melt  
ice clear  
to nothingness  
and pure water  
replaces  
my footsteps.*

**Isklar. Pure glacier**

Natural glacial mineral water from Norway
