

TRY NEW Giotto from Ferrero with your Evening Standard today

FROM SELECTED EVENING STANDARD VENDORS IN CENTRAL LONDON THIS THURSDAY AND FRIDAY

Ferrero, with over 60 years of Italian experience creating delicious moments now brings this expertise your coffee time with new Giotto - biscuit bites that perfectly partner your favourite drink.

NEW Giotto are moreish bites of light wafer, coated with toasted hazelnuts and filled with a deliciously creamy hazelnut centre that melts in your mouth.

They're a treat you can enjoy any time - but especially good with coffee as it really enhances the flavour.

So try new Giotto from Ferrero, perfect with your coffee.

Giotto is available in individual 5 piece packs or as a pack of four 10 piece treats to share with friends.
