# Make Every Day Extra Special

Delicious food and quality wines are the quintessential ingredients of a memorable dinner party.

It's easy to enjoy memorably good meals every day, not just on special occasions. Nor is there any need to spend hours in the kitchen preparing and cooking them. The secret is simple. Check out the Extra Special range of food and wines at Asda.

Extra Special means just that. Top quality ingredients, using authentic recipes with a real point of difference and carefully-selected wines. All at affordable prices.

With over 500 products available, you'll be impressed by the choice and variety on offer.

You could, for example, start your day with melt-in-the-mouth Extra Special croissants and jam or pain au chocolat. Fancy a full English breakfast? Choose Aberdeen sausages and sizzling smoke-cured bacon.

Enjoy Extra Special Fudge Cookies or Mini Brownie Bites with your mid-morning Costa Rican Terrazu roast coffee. And instead of your usual lunchtime fare, try a satisfying Extra Special Goats Cheese Salad.

After a hard day's work we all need to relax and unwind. So add sparkle to your evening

with Asda Vintage Cava served with succulent Mixed Olives or Extra Special Crisps.

Extra Special Parma ham, Chorizo or French Onion Soup make tasty starters.

As for imaginative main courses, you're spoiled for choice. Extra Special Aromatic Crispy Duck, Salmon Risotto or Rosemary Rack of Lamb are among many appetising ideas including vegetarian dishes like Goats Cheese and Spinach Tart.

Desserts such as Extra Special Tart au Citron, New York Cheesecake or Summer Fruit Roulade round off a meal perfectly while Asda Australian Reserve Shiraz or South African Pinot Reserve and Sauvignon Reserve are just some of the quality wines that will add flavour and style to your meal.

Quality is not the only ingredient that makes Asda's Extra Special a brand to trust. Prices are rather special too.

With Asda's help you can afford to make every day an Extra Special day.
