Whether you're crazy about sport, craving a family get away, longing for relaxation on your own or searching for the perfect romantic idyll for you and your partner then look no further than Club Med – the perfect holiday solution for all tastes.

Based in forty countries on five continents Club Med Villages are located in exceptional settings, with beautiful architecture and inventive and varied food which tantalises your palate. For more than fifty years Club Med has enjoyed sharing their holiday expertise with each guest. But what people think of as luxury moves on. So, in 2005, Club Med is going even further to reinvent itself.

Luxury, services and pleasure

This year, Club Med is offering you more luxury and more choice. There are new Villages, such as Marrakech Le Riad (Morocco) or Coral Beach (Israel) to discover this summer. And Peisey Vallandry (Savoy - France), Les Boucaniers (Martinique) or newly renovated Aime La Plagne (France) will be unveiled ready for winter. Luxury means entertainment to some people but rest to others; it means friendly new company but also peace and relaxation. So, Club Med respects your choices.

Away from it all, other worlds

Club Med is located at the most splendid sites on the planet. Its Villages blend in and you find yourself experiencing the intimacy of a small corner of the world, sharing its culture, cuisine and scenery. Each Village is an example of a country and a culture, which the architects take great care to respect and recreate. Each Village offers a wealth of scenery and way of life for you to experience.

The experience

Some prefer the whisper of Moroccan fountains and gardens, others the buzz of the Souk. Some dream of Latin American summertime exuberance or wait for the silent, winter sun on Alpine glaciers. Whichever you prefer, our Villages can fulfil your desires. There is something for everyone from sports to spas and family entertainment to Zen activities. Destinations range from worldwide paradises to European offerings including France, Greece, Italy, Turkey, the Balearic's plus many more.

At Club Med, you can leave for your holiday with complete peace of mind. Everything is taken care of and all you need to do is enjoy yourself.
